**PATIENT INSTRUCTIONS:**

- Do not take pain medications on the day of your consultation. Please continue with any prescribed antibiotics as instructed by your dentist.
- Bring this referral and your current medication list with you on the day of your appointment.
- Inform the front desk if you might need an oral anxiety medication when you call to schedule.
- Your treatment is not complete until you return to your general dentist for your final restoration which may include a crown. Make sure to schedule your restoration within 2 weeks of the completion of your root canal.
- Our team will make every effort to inform you prior to your appointment of your estimated portion. Your portion of the fee is due when services are rendered. If you have any financial or insurance questions or have not heard from us, please call the office at (757) 250-5295 or (757) 250-5285.
