

Missed Appointment Policy:

As a specialty office, we generally schedule our patients for 1.5-2 hours of care with our doctor so that they benefit from the highest level of practice. Therefore, we see a limited number of patients each day. It is imperative that patients who cannot make their treatment appointments give at least 24 hours' notice **on the business day** prior to the appointment. Missed treatment appointments or cancellations with insufficient notice are subject to a fee of \$150.00. If you will be unable to make your appointment, please text, or call and leave a voicemail to (757) 250-5295, even when the office is closed.
